

God's Power in You: The Holy Spirit and His Gifts

Taught by Richard Roberts

Course Description:

Do you consider yourself to be a “gifted” person? Well, if you are a Christian, you are a “God-gifted” human being because of the Holy Spirit who dwells on the inside of you! The question is, do you realize this and are you living your life empowered by the Spirit of God with His gifts operating through you to be a blessing to others?

Join Richard Roberts for eleven powerful class sessions and develop a better understanding of the person of the Holy Spirit and His gifts. First Corinthians 12:7-11 says, “*But the manifestation of the Spirit is given to each one for the profit of all: for to one is given the word of wisdom through the Spirit, to another the word of knowledge through the same Spirit, to another faith by the same Spirit, to another gifts of healings by the same Spirit, to another the working of miracles, to another prophecy, to another discerning of spirits, to another different kinds of tongues, to another the interpretations of tongues. But one and the same Spirit works all these things, distributing to each one individually as He wills.*” Students will receive anointed biblical teach-

ing addressing the purpose of the gifts, how the gifts are distributed, the conditions for receiving the gifts, and a survey of each of the nine gifts of the Spirit.

In addition to the eleven class sessions, in the Advanced Certificate Track, Richard Roberts will give students the opportunity to participate in practical application assignments designed to encourage students toward living a life that is empowered by the Holy Spirit.

Biblical Revelation of the End Times **Taught by Richard Roberts**

Course Description:

What does the future hold? What lies just ahead? Is Jesus returning soon? What are the biblical signs of His return? Such are the questions that are uppermost in the minds of people everywhere. Many live in fear, not knowing which way to turn. Nations are perplexed; leaders are baffled. Uncertainty is everywhere. Unfortunately, many today are turning to astrologers, psychics, and fortune-tellers, seeking answers to their questions about the future.

But God's Word is the one proven source of fully accurate knowledge of the future. The Holy Bible has described hundreds of future events in fine detail over a span of thousands of years. And the Bible has plenty to say about events that are yet to come!

Join Richard Roberts for eight powerful teaching sessions to learn more about biblical prophecy and a discussion of current world events. Also in this course, students will discover what the Bible says every Christian should be doing at this time in history as we watch and wait for the second coming of Jesus Christ. Students will be encouraged to share what they are learning with friends, loved ones, neighbors, and others.

Also included in this course is a special guest lecture by **Dr. Hilton Sutton**, a foremost authority in Bible prophecy and end-time events. (*Dr. Sutton has since gone on to be with the Lord, and we are so honored he was able to lecture at our School before his home-going.*)

The Anointing of the Holy Spirit

Taught by Richard Roberts

Course Description:

What is the anointing of God? It is that divine energy that comes upon you and separates you from yourself and fills you with ***His power!*** As a result, when you speak, it is like God speaking...and when you act, it is like God acting. As a child of God, would you like to have more of His power in your life and ministry?

The anointing breaks the yoke of sin, sickness, fear, poverty, demons, and anything and everything that is unlike the Lord. Are you and the people you know in need of positive results in your life? Would you like to function to the maximum—as a parent, a friend, a neighbor, an employee, an employer, a minister—as a child of God?

In this powerful course, Richard Roberts leads you in a study of God's Word concerning the anointing of God and how to get it in your life. Also in this course, students study selected “giants of the faith” who have operated under a mighty anointing of the Holy Spirit.

Students will discover key principles related to the anointing of God. In addition, students will also have opportunities to experience a greater anointing while ministering to friends, loved ones, neighbors, and others.

The Miracle Living Series

Taught by Lindsay Roberts

Course Description:

Do you know that the miracles of the Bible are still happening today? Have you ever experienced a miracle from God, or do you know someone who has? If your answer is yes, then you know that miracles from God are real and that miracles still happen today; truly, a miracle from God settles the issue.

There are many people who are in desperate need of a miracle in their life due to problems, heartaches, and needs. Some individuals have been struggling so long that the thought of receiving a miracle from God has not even occurred to them. Many, if not most, people would give anything to receive a miracle from God if they only knew that He is concerned about them and if they understood what they can do to receive His miracles.

In this course, Lindsay Roberts takes students through a daily guide to experiencing God's miracles and suc-

cessful living through the principles of Seed-Faith living. Students will gain a clearer understanding that God is a good God, and that He still desires to provide miracles in our daily affairs.

Students will discover key faith-building points that are essential to successful daily living, with a special emphasis on the importance of helping friends, loved ones, coworkers, and others experience God's miracles in their lives as well.
