My spirit is so excited for what's happening in God's kingdom. Despite what Satan would try to do to steal, kill and destroy, I'm watching as God brings victory after victory in so many situations. I'm constantly reminded of Psalm 68:1 that says, "Let God arise and His enemies scatter." I pray you keep that in mind as you read through this magazine, especially in the article regarding what God showed me about being transformed! I pray it's a blessing to you and you recognize that the transforming power of God can change your life forever.

Don't miss Richard's prayer concerning cancer, and pay close attention to Oral Roberts' prayer as we celebrate Resurrection Sunday. And, don't miss the recipes and other words of encouragement throughout this magazine. My desire is that the kingdom of God becomes so near to you that your days are filled with miracles, signs, and wonders from our Lord and Savior.

What Jesus did on the cross more than 2000 years ago set in motion what can happen today concerning our healing and salvation. May every day from this day forward be a day filled with the blessing of God in every area of your life.

*In Christ's love,*

*With God, nothing is impossible!*

## **Dear Richard and Lindsay...**

*This note is to say thank you very much for your ministry. Thank you for releasing God's anointing and healing. I have received a touch from God more than once. Thank you for sharing your messages from your prophetic billboard dreams too. They are such a blessing. I saw your "2023 is the year for me" and I shared it with my family and all the believers at church. Much blessings to you,*

## **A New Job!**

"I had been requesting prayer for months for God to deliver me from my current job and to bless me with a new job. I was working six days a week with no work-life balance.

About two weeks ago, I applied for a new job and I received an email about a phone interview scheduled for the same day. I had an interview with the hiring manager and the next day I was notified that I got the job! This job provides me with weekends off, and I'll be getting paid more than I even asked for. God provided this blessing and I can't help but praise Him for it!"

## **No Cancer!**

**Davida** called the *Abundant Life Prayer Group* for prayer for her daughter who had some abnormalities and was diagnosed with cancer. After prayer, she went back to the doctor for a follow-up visit and after running some additional tests, the doctor said she was perfect. He was shocked and had no explanation!

DONT BE PUSHED INTO A  
MOLD...

# *Be Transform*

BY LINDSAY ROBERTS

TODAY, AS WE LOOK AT SOCIETY AND AT WHAT IS CONSIDERED “THE NORM,” IT SEEMS TO ME, PEOPLE WANT TO PUT US IN SOME KIND OF A MOLD...A MOLD OF HOW WE THINK, OF WHAT WE DO, AND EVEN HOW WE ACT AND REACT IN MANY SITUATIONS ...

Sometimes it may seem as if we are being pushed or pressured into conforming to what *they* think we should all be, sort of a generic or cookie-cutter version of mankind...all the same, with no one person or group having anything unique about them. And when we hear the term “they say”...who is “they” anyway? Instead of “they say”, let’s explore this from God’s perspective...

God’s Word says in Romans 12:2 NKJV... “And do not be conformed to this world, but be transformed by the renewing of your mind.” The New Living Translation of the Bible says it this way... *Don’t copy the behavior and customs of this world, but let God transform you into a new person by changing the way you think. Then you will learn to know God’s will for you, which is good and pleasing and perfect.*

Let’s look at the two words “conformed” and “transformed” from the New Kings James version.

If you are conforming to something, it's like you are taking on the shape of that thing...you’re matching it...fitting into it...agreeing with it. It's like when modeling clay is shaped and molded into a specific piece of art. Or, as I have experienced

growing up, it's like when Grandma brought a Jello mold at Thanksgiving or Christmas dinner. The Jello “sat up” or was conformed to the shape of the mold it was poured into.

Paul is cautioning us in Romans 12:2 to *not be conformed to the things of this world*. We're not to follow or imitate or try to “fit in” to them...their ways, their speech, their actions...their ideas of “the norm.” Sometimes these things can be contrary to God's ways of doing and being. Instead, we are to be “transformed,” and we do that by regularly renewing our minds with God's Word. *(Continued on next page...)*

# You can be transformed.

*The metamorphic power of God’s Word—the transforming power of God—can put you in a place where you can become that beautiful, graceful butterfly just waiting to soar; to fly high into the things God has created you to do and to be.*

The word “transformed” in the verse above is like the word metamorphosis or when a caterpillar morphs into a beautiful butterfly. So, let me encourage you today... If you feel as if the world has tried to make you believe that you’ll always be that little worm (like the beginning or “unfinished” stage of the butterfly) who seemingly has no potential to be anything other than a worm... If you’ve been made to believe that you’ll never rise above your circumstances, or there’s nothing unique about you, or that you have no potential to ever be anything but some kind of worm waiting to be metaphorically squashed, so to speak, by

the harshness of the world... I have good news! And that’s what the Gospel is often referred to as—the Good News!

First of all, God made you to be exceptional, irreplaceable, and unique in every way. In fact, no other person on the entire planet has your exact fingerprints. Secondly, God made you to “*rise up as on eagle’s wings*” (Isaiah 40:31), to be “*the head and not the tail*” (Deuteronomy 38:13), and to “*do all things through Christ who gives you strength*” (Philippians 4:13).

You *can* be transformed. The metamorphic power of God’s Word—the transforming power of God—can put you in a place where you can become that

beautiful butterfly just waiting to soar; to fly high into the things God has created you to do and to be.

So, starting today, let's begin to heed Paul's teaching in Romans 12:2 to us as believers and to indeed be spiritually correct—correct in our thinking, correct in our speech, and correct in our actions according to the Word of God...“transformed” by the Truth of God. And, expect what Jeremiah 1:12 says, “*I will hasten My word to perform it.*”

## ***My prayer for you.***

*I pray for you to be blessed today. I pray you to declare, “2023 is the year for me.” And I pray for you to say it and believe that it's the year for you. I pray for you to be healed from the crown of your head to the soles of your feet and for you to walk in all that God has for you, starting right now. I pray for your physical healing. I pray for your soul...your mind, will and emotions. I pray for your job. I pray for relationships. I pray for whatever it is that God has for you to come to pass —exceedingly, abundantly, far above anything you dare ask or think.*

*In Jesus' name, amen.*

# Jesus Came Out of the Tomb for Your Total Healing

A CLASSIC MESSAGE BY ORAL ROBERTS

There are many tombs on this earth that still hold the remains of the dead. But there is an **EMPTY** tomb because it couldn't hold Jesus' body more than three days!

Every Easter is a special time of year to me because the world slows down to think again of how the Son of God, after dying on Calvary, rose from that tomb.

Many doubt, some sneer, but to us who believe we know that we know our Savior is risen!

Let me remind you that everything Jesus was in the flesh, and all He accomplished on the cross for our salvation, healing and prosperity in God, was in that tomb with Jesus. The evil men little knew their own hope of deliverance went with the dead body of Jesus as they took His crucified form down from the cross and put it in the tomb. But God knew, the angels knew, and on that third morning God sent an angel to roll away the stone.

When Jesus came out of the winding sheets of the dead, in one

swift move of the touch of the Holy Spirit, and stood exulting, "Because I live, you shall live also," He had you and me in mind.

All our sins, all our sicknesses and diseases, all our fears and torments, all our discouraging moments and defeated hopes, all our present and future —were in His hands when He rose with the glory of heaven and earth in His glorious new body.

Right there, long before you and I were born, our opportunity to rise into newness of life was put into full and final motion.

You and I who believe can point to that empty tomb and say, "He is not there."

We can read His holy Word and say, "He is the Resurrection and the Life." We can look at that moment when no grave could hold our living

Lord, and we can look at the end when He comes again to close this present age and say, "He is the author and finisher

of our faith. He is the Alpha and Omega—the beginning and the end." *(Continued on next page...)*

**Because  
I live,  
you shall  
live also.**

**It is finished  
forever in the  
Resurrection**

At Calvary,  
His precious  
shed blood  
held in it the  
finishing of  
every good thing  
for our lives  
to be *abundant*  
and *eternal*. The Resurrection  
sealed it forever. **It means that  
everything He came to do  
is finished and sealed—it is  
forever complete.** With the faith  
He gave us (Romans 12:3), we can  
*turn it loose* and tap into all that Jesus  
finished for us. With the seed which  
He gives us to sow (2 Corinthians

He  
is  
risen!

9:10), we can  
plant it and know  
He will also  
multiply it back  
to us.

And when we  
are hurting from  
the top of our  
head to the soles  
of our feet—with  
sin, with sickness,

with fear, with lack of money, with  
family problems, with opposition  
and persecutions, with threats on  
everything we desire—we can know  
that Jesus' death and resurrection  
covers it all!

## An EASTER PRAYER

 God, we ask that men and women shall value holiness and shall learn how to live that holy life, that the Holy Spirit shall become precious in a new and different way, that the healing power of God shall assume a new substantiality in this nation that many people shall come to look upon healing by faith as something they can receive.

Lord, lay people on our hearts and love them through us, and may we ever be faithful to bring people to You.

Now, we pray also for our beloved nation and for our President. We pray for those who are in the service, both here and abroad. We ask in this Easter season that this shall become a dawn of a new experience for every one of us. May we live a new life from this day forward, we ask in His lovely name, the name of Jesus Christ, our risen Lord. Amen.

*(The above prayer was prayed by brother Roberts in his Pensacola, Florida crusade on Easter Sunday, 1957.)*

A  
PRAYER  
FOR  
*Healing*  
FROM  
CANCER

BY RICHARD ROBERTS

I did a live post on Facebook recently which had thousands and thousands of viewers. I focused in on prayer against cancer. You've probably heard me say it many times on our TV program, *The Place for Miracles*, and on social media...I hate cancer! I hate cancer with a passion. And we have had an unbelievable number of prayer requests lately concerning cancer.

God put it into my spirit to take time to pray over people who have either been diagnosed with cancer or who have received news of cancer in their family.

First of all, let me say I do not believe cancer is from God. Cancer is from the devil. Satan only comes to steal, kill, and to destroy, according to John 10:10. But the second half of John 10:10 says that Jesus came *to give us LIFE...and that more abundant*. God did not come to diminish you. *(Continued on next page...)*

***I wish above all things that you prosper and be in health, even as your soul prospers.***

In Exodus 15:26, God says... *“I am the Lord that healeth thee.”* So we understand that God is the Source of all healing. There’s nothing too hard for Him. Cancer is not too hard for God to heal.

Acts 10:38 tells us that, *“Jesus went about doing good, and healing.”* Think about that... Jesus *went about doing good and healing all who were oppressed of the devil.* And that’s what cancer is, it’s an oppression of Satan.

Third John 2, one of my favorite scriptures in all the Bible says... *“Beloved, I wish above all things that you prosper, and be in health, even as your soul prospers.”* God wants you to be the best you can be...in health and prospering...in all things—spirit, soul and body.

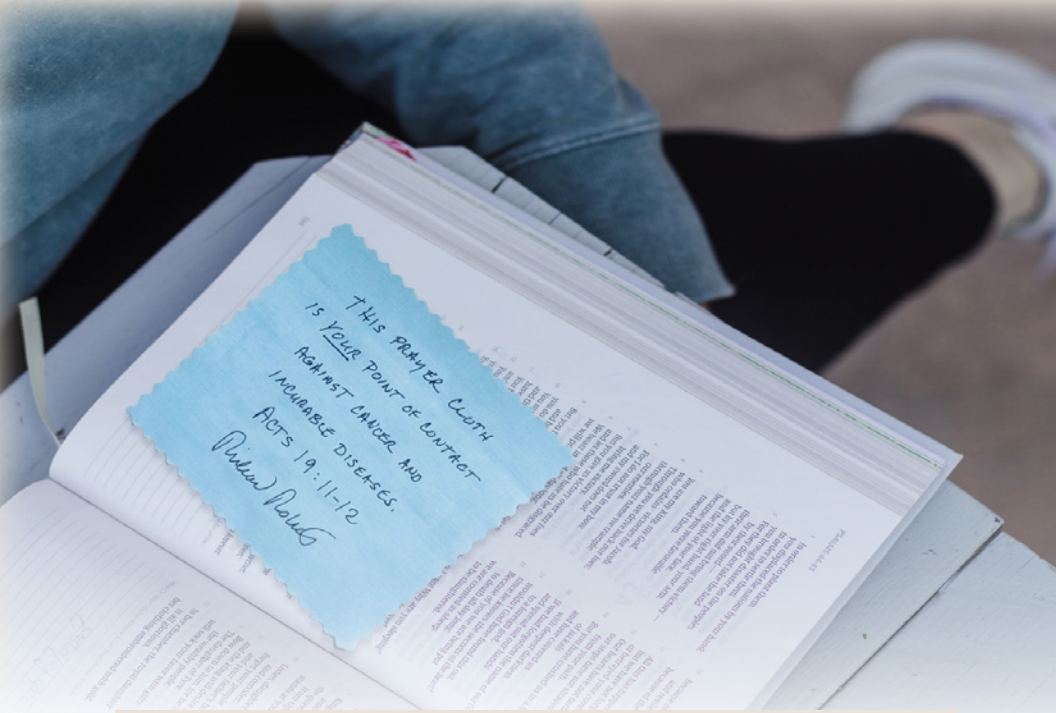

So, today, I want to pray a prayer of faith and stand with you against cancer. The Bible says, *“If two shall agree on earth as concerning anything that*

*they shall ask, it shall be done by my father in heaven”* (Matthew 18:19). This is a faith agreement that we can stand on expecting God for mighty answers that only He can give.

It may be cancer in your family, or someone on your block or in your building, or where you work or in your church. It may be in you.

*In the authority of the name of Jesus, I come against cancer. You foul, tormenting cancer, I command you, loose your grip, in the name of Jesus! Cancer in the breast, come out! Cancer in the brain, come out! Cancer in the bone, come out! Cancer in the blood, come out! Any type of leukemia, or lymphoma, or melanoma, or myeloma, whatever name it’s been given, the name of Jesus is above it and I command sickness to come out! I set my faith with you right now against cancer, and I command cancer or any other so-called “incurable” disease to come out...out of you, out of your family member, out of those who you’re near and dear to. And I am expecting, expecting, expecting a miracle from God, in the authority of Jesus’ mighty name. Amen.*

You can call our Abundant Life Prayer Group at 918-495-7777 for prayer or online at [RichardRoberts.org/prayer](http://RichardRoberts.org/prayer).

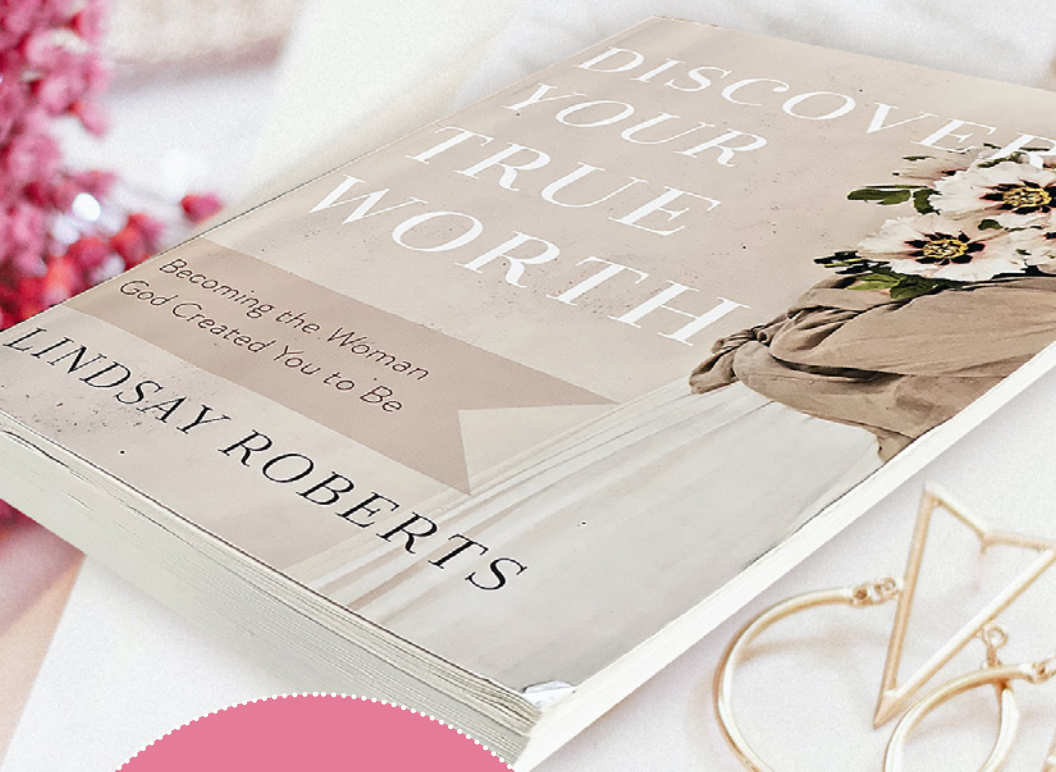

## Now, I have something very special to offer you...

In Acts 19:11-12, we learn that *God worked unusual miracles by the hands of the apostle Paul, so that even handkerchiefs or aprons were brought from his body to the sick and the diseases left them; the evil spirits went out of them.*

A prayer cloth is not magic, but a *scriptural point of contact* to help you release your faith. And **I've had a special blue cloth made just for this purpose. I've already laid my hands on it and prayed.** On it is the scripture from Acts 19:11-12 which I spoke of above and it also says... "This prayer cloth is your point of contact against cancer and incurable diseases." It also includes the Abundant Life Prayer Group telephone number at the bottom.

This prayer cloth is simply a Bible-honored way for you and me to stand together, in faith, against cancer. It's my FREE gift to you... You can request your special, free, blue prayer cloth at [RichardRoberts.org/bookstore](http://RichardRoberts.org/bookstore)
