Jonah: A Classic Message by Oral Roberts

Oral Roberts' classic sermon on Jonah inspiring believers to reach out with the Gospel.

Ghana Report

The Greater Works Vision Is a **REALITY!**

Two years ago, God told me that my crusade days were ending, and I would become a minister to ministers. Little did I know then what God was going to do! But out of that word from the Lord, the Greater Works Vision began — a vision to reach local ministers in hard-to-reach places, to raise them up in the power and anointing of God, and to equip them to share God's healing power, the gifts of the Holy Spirit, and seed-faith living to their communities.

This March, our vision became a reality as I traveled to Ghana to launch the Greater Works outreach at a grass roots level. Working closely with Pastor Nanasei Opoku-Sarkodie, a respected local prophet and minister, we gathered 300 pastors from rural villages all across Ghana for a three-day ministers conference in Potter's City.

Most of these Ghanaian pastors live in such remote areas that it took them two full days and several mini-bus transfers to attend the conference. During three days and nights of ministry, I taught them the Biblical principles that have sustained the Oral Roberts Ministries since our beginning — the healing power of God, the gifts of the Holy Spirit, and seed-faith living. I laid hands on each of these 300 pastors, anointed them with oil in the name of the Lord, and ordained them into the ministry.

Pastor Nanasei joined in blessing these pastors by hosting them at his ministry compound at no charge, as well as giving them and their spouses new suits and dresses. Those who have no other means of transportation were given mountain bikes to help them to visit those they pastor.

We gave each of these pastors a Greater Works Tablet with a data card that contains more than 250 hours of video and 18,000 pages of Bible resources from the Roberts

family. Most of these pastors have never received formal Bible training. They were so grateful that our ministry friends and partners would care enough to provide them with these tablets, which don't require Internet service, and contain so much material they can use to become better pastors.

Thank you to everyone who gave so generously to make it possible to minister to these men and women of God and give each of them a Greater Works Tablet. We're so grateful for your support, prayers, and commitment to help get the full Gospel into the hands of those who need it.

I'm calling these Ghanaian pastors "my Gideon's 300" because they are the first we've reached with the Greater Works Vision. But they are certainly not the last! I'll be ministering in September to the isolated pastors of Iqaluit, a remote region in the Arctic circle in Canada. And we are continuing our plans to reach the pastors of small villages in central India, where we are translating our resources into the local Telugu language.

You make it all possible, and lives are already changing because of YOU. Thank you!

— Richard

So many excited recipients waited patiently to receive this incredible resource of Oral Roberts Ministries Bible teaching.

300 thrilled rural pastors received the first ever Greater Works Tablets, thanks to our generous partners!

We're already receiving **good news** from Ghana's pastors!

Dear Dr. Roberts,

"I am one of the three hundred (300) Pastors Rev. Dr. Richard Roberts ordained in Ghana at the Potter's City Church at Prampram. I can see that the anointing on you is speaking loud and clear right here in my village! We are most grateful for the tablet. It's a resource base that is unmatched in this generation. I have never seen anything like that in my life before. What is most exciting to me is that something that I could possibly learn in the next 40 years or may never have the privilege of ever learning in my entire life in ministry has now been made available to me at my fingertips. I know another Rev. Dr. Richard Roberts will emerge from Ghana very soon. That is me. God will do it for me also."

—Pastor David K.
from Mpintsin
(a small village in Ghana)

Part of the ministers conference included training by Dr. Jeff Ogle, in using the tablets so pastors can take them back to their home village with confidence for future ministry work.

God's Word Delivered My Daughter

I have sown into your ministry and prayed with your prayer partners, believing God that my daughter would graduate with her class. She had depression to the point all her grades were failing. She quit the cheer team and was in a dark place. I received your book *Covering Your Family with God's Word*, and prayed over her and my other children every morning (and still do). I just want to tell you she did graduate! She had to make up her classes – more than 9 credits' worth – but it is the biggest miracle I have ever witnessed. She continued to work because I would encourage her and was praying the whole time. God is faithful!

Pain Leaves after Conference Call Prayer!

I listened in to my first Saturday night conference call with Richard. He prayed over all aches and pains we were having. I was in a really bad car accident a few months earlier, and since then, I'd been having constant pain and inflammation in my shoulder with no relief. I laid hands upon myself in faith when Richard prayed, and since that day I haven't had any more pain or inflammation in my shoulder. I'm able to do the activities at work that I used to be restricted from. I'm healed!

INDIA GREATER WORKS

Catching the Vision:

Greater Works Vision is **ALREADY** Happening in **INDIA!**

We're delighted to share with you that the translation of Oral Roberts Ministries resources and Bible materials is going smoothly in India. Through your partnership, ministry books are being translated into Telugu, a language that reaches 75-100 million people! Here's a report we received about the miracles and outreach by our translators who have been ignited by the Greater Works Vision!

Translators Are Seeing Miracles in Their Own Lives!

Dear Dr. Roberts,

Thank you so much for giving me this wonderful and blessed opportunity to edit this great book *Ayana Swasthaparacu Yesu (He's a Healing Jesus)* by Dr. Richard Roberts. When I started to translate this book, I was in a strong depression, no financial blessings, sugar levels high, no peace of mind, no peace in my family, and my kids were suffering a lot because of their school fee and food.

But when I started to read this book, I started crying and said, "Thank You, Jesus, for these words!" Each and every word in this book is from God.

As I was translating the passage about the driver's mother being healed of back pain through a phone prayer, one phone call came to me for prayers! One of our church members, Keerthana, called and asked for prayer for her neighbor who was suffering with body pains and no peace in her house. At that time, I was filled with the Holy Spirit and prayed. The next morning, she called me and said she is totally delivered! She felt the presence of the Holy Spirit at the same time as I did. We are praising God for this great miracle.

I praise God for this book and Dr. Paul's great translation. And I thank God for Dr. Richard Roberts who is giving this blessed book for our India and Telugu People. We are praying for great revival in Andhra Pradesh. Halleluiah!

The Oral Roberts Ministries Is Sowing into Rural Indian Outreaches

Through the help of local ministry partners in India, we are sowing into many outreaches to people in need. Funds from the Greater Works donors have been sent to many rural pastors to equip them to share the Gospel, often to people who have never heard it. Your support is resulting in salvations, healings, provision for widows and orphans, and so much more. Thank you for making this possible.

Evangelism and Salvations!

Through partnering with rural ministers, the Greater Works Vision is seeing miracles in India. Many people have received Christ as Savior, been baptized and received healings.

Digging a Water Well

Some of the tribal people living in the mountainous region where our local ministry partners work have been struggling to obtain clean drinking water. Greater Works donations have helped to provide a water well to a rural village.

Caring for Children in Need

In one village, the local pastor's wife has been leading the children they support in picking chilies to earn wages before and after school. The Greater Works outreach in India is now helping to support such children so they can concentrate on their studies.

Constructing Local Churches

In one rural village, Greater Works Vision partners helped us to donate to repair the church roof. Now, the church can provide a safe place for Christians to meet and grow in the knowledge of God.

Pens for School Students

During the school season, children in India take a series of exams. But they often lack basic school supplies. Greater Works donors helped to put pens into the hands of 600 poor children, and we're believing for many of them to come to Christ as a result.

3 DECISIONS THAT LEAD TO

Life & Health

BY LINDSAY ROBERTS

Do you need a life today? People often say, “Get a life.” But they don’t often tell us how to go about it. Do you need health today? Thankfully, the Lord shares with us the keys to successful, miracle living in His holy Word. Here’s what the Bible says about how to get life and health scripturally.

Proverbs 4:20–23 says, *My son, give attention to my words; incline your ear to my sayings. Do not let them depart from your eyes; keep them in the midst of your heart; for they are life to those who find them, and health to all their flesh. Keep your heart with all diligence, for out of it spring the issues of life.*

There are three things I think we need to look at in these verses, because three things here point us toward life and health.

1 Pay attention to your words.

In this world, we find that there are words flying all over the place all the time. You hear words on the news. You hear good words and bad words. You could be driving down the street and hear words you thought you never would ever hear in your lifetime being shouted out the window because you did not move fast enough out of the intersection.

Words are very important because, spiritually speaking, they have power. Consider this: If we are so careful with our words because they’re life, then what is the opposite of not being careful with our words? Could our words create an environment that is contrary to life? I believe they can.

To me, being attentive means to be accountable for what we are saying. I’ll be the first one to admit that my words can slip away from me.

But the Bible says, *Let the words of my mouth and the meditation of my heart be acceptable in your sight, O Lord, my rock and my redeemer* (Psalm 19:14). *Whoever keeps his mouth and*

TO HEAR HIM CLEARLY, YOU MAY HAVE TO SHUT SOME THINGS OFF.
TO SEE CLEARLY, YOU MAY HAVE TO SHUT SOME THINGS OFF.

his tongue keeps himself out of trouble (Proverbs 21:23). God is saying, “Be accountable for what you say.”

2 Listen carefully to God’s words.

The other day at our house, the television was on in the living room, and the television was on in the kitchen. But they were on different channels. Richard and I couldn’t focus on one. We had to turn one of them off to focus on the other one.

It’s like that with God’s Word as well. To hear Him clearly, you may have to shut some things off. To see clearly, you may have to shut some things off.

I remember a song we used to sing: “Oh, be careful, little eyes, what you see.” That is good advice! Be careful what you’re looking at. Be careful what you’re watching. Be careful what you’re hearing and bringing into your spirit through hearing certain words. Be careful what you’re focusing on, because what you focus on will develop in your life.

3 Keep God’s Word in the center of your heart.

What are you hiding and holding on to in your heart? The Bible says that as we hide God’s Word in our heart, out of the abundance of the heart, the mouth begins to speak (Luke 6:45). So, we have to be attentive not only to the words we hear and the words we speak, but the Word of God as well. Let God’s Word be hidden in your heart. Make it the center of your life.

How do you know if God’s Word is at the center point of your life? Imagine yourself getting up at three o’clock in the morning to get a drink of water. All the lights are out, and you slam into the corner of your furniture. Three toes go to the west, and the remaining two go to the east. It hurts. What comes out of your heart at that time will most likely come out of your mouth too. Under pressure, you can really tell what’s been hiding in your heart.

Death and life are in the power of the tongue, and they that love it will eat the fruit thereof (Proverbs 18:21). We will eventually eat the fruit of what we are thinking and ultimately what we are saying. That’s why it’s so important to get God’s Word into our heart. As we do so, His Word becomes part of us, and it can come out of us as words of life and health when we need it. His Word can become what we speak every day. And eating the fruit of God’s Word according to Proverbs 4:20–23 is designed to be life to those who find it, and health to all their flesh. ☪

I Was **Healed** while Listening to **Richard's Live Conference Call!**

I got my **Miracle!**

On Saturday evenings, Richard Roberts has an amazing conference call for his partners, and I get on that call regularly. Richard shares a lot of information as well as praying for you.

"I'm sharing my testimony so people will know that God still heals..."

One particular evening, I was listening in on the call as Richard was praying. He said that God was moving him to pray for healing. He had us lay our hands on an area where sickness was affecting us or where we had some challenges.

I had been battling fibroids for many, many years. The doctors told me that I had multiple fibroids, so many that they couldn't count them. And one of those fibroids was the size of a grapefruit. It would protrude and make my stomach look like I was four to five months pregnant.

On Richard's conference call, he spoke about ten areas of prayer, and then he actually prayed for us. As he prayed, I released my faith for healing, and I felt my stomach shrinking! I hadn't felt that before. There was a burning feeling inside, and I felt my stomach going in.

Since that time, I've been going to the gym regularly. I've been doing abdominal crunches — an exercise I previously couldn't do because the fibroids made it too difficult. Praise God!

I'm sharing my testimony so people will know that God still heals, and He is healing through the Oral Roberts Ministries. And I encourage people to listen to the Saturday conference calls. The calls are really personal, and you feel like he's talking right to you!

JONAH

A CLASSIC MESSAGE BY ORAL ROBERTS

Now the word of the Lord came unto Jonah...saying, Arise, go to Nineveh, that great city, and cry against it; for their wickedness is come up before me. But Jonah rose up to flee...from the presence of the Lord, and went down to Joppa, and he found a ship going to Tarshish: so he paid the fare thereof, and went down into it, to go with them unto Tarshish from the presence of the Lord.

—Jonah 1:1-3 KJV

Time had caught up with the city of Nineveh. Its wickedness had reached highest heaven. God gave Nineveh 40 days in which to hear His Word and repent. He pronounced this sentence of judgment, but He tempered it with mercy, as He always does.

God then set about to find a man whom He could send to Nineveh to stand on the most prominent street of the city, lift up his voice, and shout, “Yet 40 days hath God given Nineveh, and unless you repent, your city shall be wiped off the face of the earth.”

Jonah was that man. He had the voice. He had the ability, the understanding, and the com-

passion. Jonah was the man God could use to get the job done.

So God said to Jonah, “Go to Nineveh, and do the preaching unto them that I bid thee.”

The voice of God was clear. Jonah knew what God wanted him to do, but he rose up and began the most famous flight in history. *Jonah is the man who tried to run away from the almighty God.*

Jonah went down to the seashore, got on a ship, and fell asleep. The ship sailed away across the Mediterranean Sea toward the city of Tarshish, which is in the opposite direction from Nineveh where God had told Jonah to go.

Jonah was biased

The **FIRST** reason Jonah ran away was because he was prejudiced. He was a Hebrew. The city of Nineveh was filled with Gentile people, and he had prejudice in his heart.

God is not the God of a chosen few. He is the God of the *whole* world. Jesus gave His life to save everyone. We have no right to say anything against any race or nationality because God loves the whole world.

During one of our tent meetings in the early 1950's, when segregation was an accepted practice that I publicly disagreed with by opening my tent meetings to everyone, a woman of a minority race came in the line one night. She had her crippled child in her arms and in one hand she had a brand-new pair of shoes. The little boy had on a built-up shoe.

I said to her, “What are you doing with a new pair of shoes?”

Big tears rolled down her cheeks as she said, “Brother Roberts, God is going to heal my boy. I am expecting a miracle. When he gets healed, I am going to pull off this special-built shoe and he is going to put on this brand-new pair of shoes and walk out of here.”

She touched my heart and helped me to believe better when I saw her expectant faith and attitude. I prayed for the child, and the crowd prayed with me. God healed that boy. The little boy pulled off the shoe with the special built-up heel on it, threw it away, put on the new shoes, and walked off.

What if we had ignored this lady? What if we had not opened our meeting to her and her child? Because we did, the miracle of that child's healing spread throughout the city.

Jonah was self-centered

The **SECOND** reason Jonah ran away was that he cared more about his reputation than the Word of God. He didn't want the Lord to make a fool of him.

Contrast him with the apostle Paul. Paul was

God is not the God of a chosen few. He is the God of the whole world. Jesus gave His life to save everyone.

misunderstood, criticized, blasphemed, whipped, shipwrecked, cursed, and kicked. He faced many trials for Jesus' sake.

There are some people who will serve God as long as there is no cross to bear and no criticism to take. But for me, when you love God with all your heart, you will serve Him whether folks like you or hate you.

Jonah didn't want responsibility

THIRD, Jonah ran away because he told himself that if he didn't go, the Lord would find someone else.

A lot of people feel that way too. But the Bible says that the gifts and callings of God are without repentance (Romans 11:29). If the call of God comes to you, that call is never taken back.

When you have an urge to do something for the Lord, I believe you have to obey. If God didn't have a special work for you to do, He wouldn't have put the impression in your mind nor the urge in your heart. No one else can do your job.

Jonah was mistaken

FOURTH, Jonah thought he could run away. But he didn't count on dealing with the God whose hands scooped out the depths of the ocean and flung the stars from their fingertips and hung the earth on nothing.

God began to breathe upon the sea. He released the winds of the earth, and they blew across the waters. The waters churned in fury. The boat Jonah was in began to pop, and the sails were ripped from their poles. The little ship began to struggle.

The sailors screamed, “We're going to perish!” They lightened the ship's

load. Imagine how the wind blew and the storm raged as waves broke over the decks.

Jonah was in the middle of that storm.

This is an illustration of what can happen when a person runs away. You can end up in a storm. If you're not obeying God and doing what you know He wants you to do, are you in a storm?

The sailors woke Jonah and said, "What meanest thou, O sleeper? Arise, call upon thy God...that we perish not."

Jonah woke up and staggered to the deck. He looked around, saw the storm, and said, "Boys, throw me overboard, and it will stop this storm."

They said, "Where are you from? Why are you here?"

Jonah in essence said, "Men, I'm a Hebrew. God called me to Nineveh, but I'm going to Tarshish. I'm running from God. That's why this storm is here. Throw me overboard, and there will be calm."

As I read this, I see that Jonah had to get off the vehicle that was taking him away from God. As long as he was running from God, the people he was with were also in danger. The Bible says, *None of us liveth to himself, and no man dieth to himself* (Romans 14:7).

"Throw me overboard!" Jonah said.

The sailors picked Jonah up and shoved him out into the water. But he wasn't in the water long when a big fish prepared by God swallowed Jonah.

Jonah went down into the fish's belly, got on his knees, and prayed to God. He repented!

And God said to that fish, "Take him to the shore and cast him out."

This time, Jonah was glad to go to Nineveh!

Jonah obeys, yet misses the point

As Jonah hit the streets of that great city, he preached: "Yet 40 days hath Nineveh, and it shall be destroyed unless you repent."

The king heard Jonah's warning, and the message pricked his heart. He called his people and

As long as you're running from God, the people you're with are also in danger.

said, "Let's repent! Maybe God will look upon us with mercy and spare us." If ever a town got on its knees, Nineveh did. They repented.

God had mercy and saved them.

Afterwards, Jonah said to God, "I wish I were dead rather than alive, because You've made a fool of me."

That night, the Lord caused a gourd vine to grow where Jonah was resting. The next morning, it was so big that it provided shade. The sun was hot, but the gourd vine kept Jonah cool, and he was glad for the gourd vine.

But the following day, the gourd vine was dead. Jonah was disheartened. The Lord said, "Jonah, this gourd vine was very important to you, yet you didn't make it grow. You didn't bring it into existence. If the gourd vine meant so much to you, Jonah, how much does a city of 120,000 children—not to mention the mothers and fathers—mean to Me, their Creator?"

I've heard people say they have lost everything if they lose their home or their car gets wrecked or they lose their money. If people are concerned about such things, how much more is God concerned about human beings? If people are so bereaved about the loss of material things, how great is the feeling of God for human beings whose lives are lost?

You are God's!

Sometimes there arises a situation that demands a man or woman to throw themselves into the mess. There are times we are to lift the burdens of our fellow man or go in God's name to help the human race.

I feel we must rise and obey the Lord, and do what He has told us to do. Remember how important are the people of the earth for whom Christ died.

And remember this — you are indispensable to God. Just as God kept after Jonah, I believe God will never let you go. He will follow you to the ends of the earth because you are His. You were bought with the price of the shed blood of Jesus. As God is our Creator, we belong to Him! 🙏
